

### **Asbestos Contracts Manager**

Salary: (Dependant upon Experience)  
Contract Type: Permanent  
Location: East Boldon, Tyne and Wear and UK wide

Based in East Boldon, Tyne & Wear, having been established for over 40 years with year on year growth we are looking to recruit a Contracts Manager to join our successful bid team.

The Company's services include: Demolition, Dismantling, Asbestos Removal, Bulk Excavation and Land Remediation.

The successful candidate must come from a strong technical, contracts management and asbestos removal background and must have a proven track record of working within this role. Holding the relevant certificates IOSH, NEBOSH, Asbestos Manager or any other qualifications that would be an advantage.

#### Key Responsibilities:

- Managing staff, operatives, office and carrying out management duties on both medium and large scaled contracts, ensuring that all work is carried out in accordance with the Health & Safety procedures.
- Completing risk assessments and method statements, appraisals and ASB5 notifications.
- Assisting with potential contracts and estimating.
- Managing and organising teams/staff to complete contracts in a professional manner.
- Site audits and inspections to ensure compliance with regulations and plans of work.
- Making recommendations in relation to improvements in client service and delivering good service to the company's portfolio of clients.
- Producing monthly management reports using company procedures.

Successful applicants will be astute, flexible, have good organisational, presentational, leadership and people management skills and also have the ability to take the business forward. You will have a sound knowledge of the Health and Safety procedures pertaining to Asbestos Regulations 2012.

#### How to apply:

Please send a copy of your CV and covering letter to: [lauren@g-obrien.co.uk](mailto:lauren@g-obrien.co.uk)
