

Health & Safety Manager

Salary: (Dependant upon Experience)

Contract Type: Permanent

Location: East Boldon, Tyne and Wear and UK wide

Based in East Boldon, Tyne & Wear, having been established for over 40 years with year on year growth we are looking to employ a highly motivated, experienced and enthusiastic Health and Safety Manager to support the demolition division on all aspects of Health & Safety Management.

The Company's services include: Demolition, Dismantling, Asbestos Removal, Bulk Excavation and Land Remediation.

As the Health & Safety Manager you will administer the demolition division Health and Safety best practice, ensuring the Company complies with current Health and Safety legislation, and approved codes of practice and guidance.

The successful candidate will review, revise and maintain Health and Safety policies and procedures; produce Method Statements and Risk Assessments, schedule audits and action any improvements required, carry out adhoc work-site safety inspections and provide reports advising the management team of their findings, maintain and renew company accreditations, assist in the completion of Pre-Qualification Questionnaires. Additionally, you will share good practice gained through operational experience with all relevant Managers through briefings and Managers meetings, producing action plans where required.

Ideally you will combine your formal qualification in Health and Safety Management (e.g. NEBOSH diploma, NVQ level 4 or similar) with experience in planning, implementing, monitoring and reviewing preventative measures in line with the current legislation.

Finally, you will work proactively with the Managing Director and other Managers to establish and maintain safe systems of work and a safe environment for colleagues and customers, as well as develop and implement the Business Continuity planning process.

If you are interested in applying for the above position, please send a covering letter and CV to lauren@g-obrien.co.uk
