

Project Engineer / Planner

Salary: (Dependant upon Experience)
Contract Type: Permanent
Location: UK wide

Based in East Boldon, Tyne & Wear, having been established for over 40 years with year on year growth we are looking to recruit a Project Engineer / Planner to join our team.

The Company's services include: Demolition, Dismantling, Asbestos Removal, Bulk Excavation and Land Remediation.

About the Role:

This role will report to the company Contracts Managers and Directors.

Basic duties include but are not limited to:

- Preparation of work phase programmes.
- Authoring and implementation of site specific Method Statement and Risk Assessments as required.
- Onsite Project Management of demolition projects up to £10 million
- QA and record keeping
- Issuing of site permits
- Completion of daily site checks and documentation
- Management of sub-contractors
- Attend progress meetings with clients and project management personnel
- Weekly reports to Contracts Managers and Directors

Within this role, training and strong career progression prospects will be offered so this is an exciting opportunity for a driven and motivated individual to join a successful company.

Desired Skills and Experience

- BSc (Hons) Construction Management & Planning or similar.
- CSCS Card (Black or Gold)
- Appointed Persons or Lift Supervisor (preferable)
- Temporary Works Co-Ordinator
- First Aid at Work
- Fire Marshall
- Very good communication and presentation skills.
- Computer literate and strong with Microsoft Office software
- 5+ years delivery of demolition projects from planning to completion.
- An understanding of asbestos related works.
- Adaption & compliance with processes & procedures.
- Proactive problem solving approach.
